GROWTH STARTS HERE

The morning summer mini-camp is for kids who love to climb. Children ages 6-15, learn climbing and bouldering techniques, developing skills to become stronger, more successful climbers as they master increasingly difficult routes.

The program focuses on proper equipment use, basic and more advanced climbing skills, and safety. Campers gain experience in top rope and bouldering. In addition to climbing instruction, each session will include strength and conditioning drills, "problem solving" demonstrations and skill-enhancing games.

Students will also learn and practice climbing techniques including dynamic and static movements, back-stepping, flagging, stemming and smearing.

ENROLLMENT & HOURS

Campers can enroll for a minimum of five days over the 9-week period. These days can be consecutive or non-consecutive. The mini-camp hours are **Monday through Friday, 9:30 AM to 1:30 PM**. While equipment is provided, meals are not; **campers should bring their own lunches/snacks.**
